

CONCAVE APPLIANCE PULL 12 INCH & 18 INCH

Design

Unique concave design has a carved out center which makes for an ergonomically pleasing user experience. Drawer and cabinet pulls machined from solid brass and stainless steel.

Special Notes

Sold individually. Matching mounting hardware included. Custom finishes available upon request. 12" and 18" dimensions reference the center to center mounting points.

Standard Dimensions

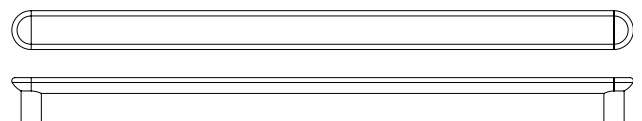

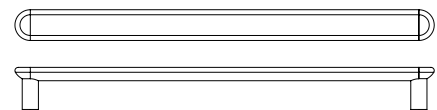

- 13.00"L x 0.95"W x 1.30"H
- 19.25"L x 1.20"W x 1.42"H

Material & Finish

Solid brass or stainless steel pulls are available in tumbled or mirror polished finishes. Pulls are unlacquered and will develop a natural patina with use over time.
